

DR. L. A. WEIGLE IS HONORED BY PENNSY C. OF C.

The Rev. Dr. Luther A. Weigle, formerly of Littlestown, now dean emeritus of the Yale Divinity School, New Haven, Conn., and chairman of a committee which produced the revised standard version of the Holy Bible, is one of 25 former Pennsylvanians who have won fame in other parts of the nation who today were the holders of the title "Pennsylvania Ambassador."

The 1952 selections for the honor were released by the state Chamber of Commerce after a statewide committee, headed by I. S. Sahli, Beaver Falls, reviewed 87 nominations Monday. The "ambassadors" will receive invitations to return to their various home towns during Pennsylvania Week October 13-19, to receive an aluminum plaque and a commonwealth scroll.

The awards are presented only to former Pennsylvanians now residing out of the state. Selected this year were 23 men and two women.

Born In Littlestown
Dr. Weigle is a native of Littlestown, where he was born on September 11, 1880. He is a brother of the late Elias Daniel Weigle, who was a Lutheran pastor at Littlestown, 1878-87.

Dr. Weigle received his A.B. and A.M. degrees at Gettysburg College in 1903. He was valedictorian of his class and a member of the ATO social fraternity and Phi Beta Kappa honorary fraternity, and the Pen and Sword. He attended the Gettysburg Lutheran Theological Seminary from 1906 to 1907, received his Ph.D. at Yale in 1905, and his doctor of divinity degree at Carleton College in 1916. Gettysburg College conferred an honorary D.D. degree in 1917 and Muhlenberg College an Litt.D. in 1925.

Dr. Weigle was a Lutheran clergyman at Bridgeport, Conn., from 1903 to 1904; assistant professor of psychology at Yale, 1904-05; professor of philosophy, Carleton College, 1905-16; dean of Carleton College, 1910-15; professor of Christian Nurture at Yale, 1916-24; Sterling professor of religious education; and dean of the Divinity School, Yale.

Wrote Several Books
He served as member of chairman of several important Lutheran Church and Sunday School committees, and is author of several books, among them "The Pupil and the Teacher; Training of Children in the Christian Family and Training the Devotional Life."

He was married in 1909 to Miss Clara Boxrud of Red Wing, Minn. They had four children, Richard D., Luther Allan, Ruth Alice and Margaret Hannah.

The "Pennsylvania Ambassador" awards are presented to those who have built reputations in the fields of business, education, government, industry, medicine, writing, science, conservation, entertainment, the military and religion.

Others to receive the awards are: Robert Porter Allen, Tavernier, Fla., bird authority for the National Audubon Society, (Williamsport); Harry J. Anslinger, Washington, D. C., commissioner of U. S. Bureau of Narcotics, (Altoona); Samuel O. Barber, Mr. Kisco, (Please Turn to Page 2)

Accuse Countian Of Code Violation

A charge of failure to yield the right-of-way will be filed against Preston J. Sanders, 24, of Iron Springs R. 1, who was involved in an accident at a Washington Twp. road intersection in Franklin County at 2 o'clock Sunday morning, state police reported.

Sanders had stopped his car at the intersection, police reported, then pulled out onto Route 15 en route in front of the car of John C. Carson, 19, of Fairfield R. 1, who was traveling east on the detour.

Junior Woodring, 26, of Fairfield, a passenger in the Sanders car, suffered a minor laceration of the face but he told police he would not seek medical attention. Damage to the Sanders car was estimated at \$175 and to the Carson car was estimated at \$150.

Two Cars Damaged In Rear-end Collision

Two cars were damaged following a rear-end collision at Ceresville, Md., about 9:25 o'clock Sunday night.

A car operated by Charles W. Snyder, of Littlestown, had reportedly stopped on Route 26 to make a left turn into the Walkersville road when his car was struck in the rear by a car operated by Roger M. Reese, of Frederick R. 1.

Approximately \$100 damage to the Snyder car was sustained by the Reese car. State Trooper 100, Kenneth H. Thinnell, the investigating officer, charged Reese with reckless driving.

Two Quakes Hit Bakersfield, California; Start Two Blazes

BAKERSFIELD, Calif. (AP)—Two sharp earthquake jolts hit Bakersfield early today, starting two fires and sending frightened residents into the streets as windows broke and bricks fell from previously damaged buildings.

The new tremors at 12:05 a.m. (PDT) and 1:02 a.m., were felt throughout Southern California, including the Los Angeles area, but were strongest in Bakersfield.

A number of patients were evacuated from the county hospital here. One six-room house was badly damaged when a gas line to a

water heater was broken by the tremor, the county fire department reported. A portion of the roof of a machine shop collapsed.

Sheriff's Sgt. Carl L. Weber said he believed the shock was as intense but didn't last as long as the July 21st earthquake that left a toll of 13 dead, 12 of them in Kern County.

Shortly after the first tremor residents reported they heard a loud explosion. However sheriff's officers said they believed the noise probably was from the earthquake rather than an explosion.

TRUCKS CRASH NEAR HANOVER; DAMAGE \$1,745

Damage estimated by state police of the Gettysburg substation at \$1,745 resulted from an accident two miles north of Hanover, on the Hanover-Cross Keys Rd. at 10:45 a.m. Monday, involving two trucks.

Police said a truck owned by the Chesapeake Creameries, of Baltimore, and driven by George W. Raltrider, 44, of Glen Rock, Pa., was traveling south, followed by a truck owned by the Hanover Building Supply, Inc., Hanover R. 3, and driven by Frederick E. Rummel, 18, of 225 Broadway, Hanover.

Overtures In Ditch
Raltrider, according to police, slowed down to make a left turn into a private driveway on the Nace farm, and was struck by the Building Supply truck. The latter went off the road, into a ditch and overturned. No one was injured.

Damage to the truck operated by Raltrider was estimated by police at \$900, and to the Rummel truck at \$800. Police said a United Telephone Co. pole was hit. The damage was estimated at \$45.

MAKE PLANS FOR ROUNDUP

Plans for the annual 4-H club roundup will be completed Wednesday evening at 7:30 o'clock at a meeting of a committee from the various clubs to be held at the office of the county farm agent at the Court House.

At that meeting the committee will arrange for an all-day meeting to be held August 30 at the South Mountain Fairgrounds. At the round-up the approximately 300 members in the various 4-H clubs of the county will display the articles they have made during the summer sessions of the groups and will take part in games and other activities marking the completion of the club year.

Members of the committee include Altee Breighner, Larry Crouse, Creta Epley, Glenn Zepp, Burdell Rexroth and Susan Hershey.

DOG IS SHOT

Kenneth Shultz, Breckenridge St., accompanied by borough police, Monday evening at 6:30 o'clock shot a dog in Highland Park at the request of the owner, according to a borough police report. The animal was said to have been annoying neighbors. According to the police report Gettysburg Highway department workers were to remove the dog today.

Author Says Rebels Defeated Here Because They Were Tired

The creator of the Alexander Botts "Earthworm" fiction series told members of the Waynesboro Manufacturers Association and Valley Branch, National Metal Trades Association, Saturday at their 22nd annual outing at the South Mountain Fairgrounds that the Confederates lost the Battle of Gettysburg because they were "tired."

"They were tired. They had marched too far over a long detour. Their shoes were worn out and they were looking for the Gettysburg Shoe factory," William Hazlett Upson, creator of the famous Botts tractor stories, declared.

"Confederates marching with Lee to Gettysburg had detoured from Virginia three or four hundred miles," Upson said. "Marching this far would make anybody tired. The Union army took it easy. It had only about 100 miles to come, so that when the two met at Gettysburg the Unionists were rested and Confederates tired out."

Not "Lazy" Enough
Upson spoke on "Ergophobia—The Art of Being Lazy." Judging from what he said of the Confederates, what they lacked were ergophobes, that is enough lazy men to tell them that to march so far when they could take it easy.

He said he found it all in a book he picked up in Gettysburg. He stopped here overnight Friday before going on to Arendtsville to speak. He said he found the item about the Confederates hunting

Eagles Auxiliary Will Hold Picnic

The Ladies' Auxiliary of the Eagles will hold a picnic Thursday evening at Redding's, Marsh Creek Heights. Each member is requested to bring a covered dish and her own silver. "Doggies" and rolls will be furnished.

Those who have extra room in their automobiles are asked to meet at the Eagles Home, Chambersburg St., at 7 o'clock to provide transportation for those who do not have cars.

A program of games and entertainment has been arranged. In event of rain the picnic will be held at the Eagles Home.

AUXILIARY HAS PICNIC LUNCHEON

A picnic luncheon was served Monday evening at a regular meeting of the Ladies Auxiliary of the Cashtown Community Fire Company in the hall at Cashtown by the members of the July committee. Party members were in attendance and Mrs. Edna Kuhn, president, presided.

Devotionals were conducted by Mrs. R. Dale Bream. Mrs. Floyd King read the treasurer's report in the absence of Mrs. Lloyd Biesecker, treasurer. Mrs. Mary Hocky was received as a new member. Mrs. Sara Keefer, chairman of the ways and means committee, reported on the profits received from various projects.

The vice president, Mrs. Bruce Wetzel, gave a report on visitation day at the Adams County Home at which a group of the Auxiliary were in attendance. Mrs. Bream, the representative to the home, thanked all club members who contributed to the affair.

Group singing concluded the meeting. The next meeting will be held August 25.

King Farouk May Visit U. S.

NAPLES, Italy (AP)—Exiled King Farouk of Egypt today told his travel agent he probably would go to the United States soon.

The travel agent said the playboy ex-monarch's immediate plans called for his spending the next three days on the Isle of Capri.

Farouk arrived there shortly after noon today aboard Egypt's royal yacht Mahroussa. He was accompanied by Queen Nariman and their baby son, King Fuad II.

Shoes, so that he knew then they had marched too far and too long and too hard.

Upson was both amusing and philosophical. "You cannot afford to be lazy at the wrong time," he said, and "A man should be paid for what he produces."

Upson told of his own experiences. He said he early reached the conclusion that being an ergophobe was less trouble than being an eager beaver.

After college, he said, he worked on a farm because he wanted to be his own boss and figure the farm was the best place to start. "If you're your own boss you don't have to give yourself work to do," he argued.

Italians Claim Hydrogen Blast

ROME—The Italian Defense Ministry announced last night that an explosion designed to transform hydrogen into helium—the reaction which could power a hydrogen bomb—had been touched off in this country.

The announcement made it clear, however, that the experiment involved only a "very small amount of hydrogen."

Atomic scientists in New York said the Italian explosion obviously was aimed at achieving the dread H-bomb but the value of the experiment apparently is not known yet, even in Italy.

CIVIL SERVICE HAS OPENINGS AT NAVY DEPOT

F. H. Furney, local secretary for the U. S. Civil Service Commission, today announced a number of positions currently open for employment. Further details about the posts can be obtained from Mr. Furney at the local post office.

The positions include the following, all at the Mechanicsburg Naval Supply Depot: Storekeeper, \$2,750 per year; glazier, \$1,73 to \$1,94 per hour; block and bracer, \$1.66 to \$1.87 per hour; packer, \$1.56 to \$1.75; saw filer, \$1.75 to \$1.97; machinist, \$1.80 to \$2.02; helper machinist, \$1.51 to \$1.70; bindery worker, \$1.61 to \$1.81; equipment specialist, \$3,795 to \$4,205 per year; stenographer typist (dictating machine transcriber), \$2,750 per annum; typewriter repairman, \$1.71 to \$1.97; telephone equipment mechanic, \$1.80 to \$2.02; messenger, \$2,420 to \$2,552 per annum; office machine operator (trainee), \$2,500 per year.

Other Openings Listed
A number of openings are listed, at Mechanicsburg and other installations in this section, for installing machine and graphotype operators, bookkeeping machine operators, card punch operators, photostat operators, tabulating machine operators, miscellaneous duplicating equipment operators all with salary scales starting at \$2,750 per year and ranging up to \$2,950 to \$3,175 per year. Mimeograph operators are also needed at \$1.54 to \$1.73 per hour and multilith operators at from \$1.64 to \$1.85.

The Civil Service secretary also announced that qualified male ordinance material inspectors are needed to work at various locations in this part of the county at salaries paying from \$3,410 to \$4,205 to start. Physicists are needed to work in Pennsylvania and Delaware at salaries between \$5,060 and \$8,360 per year.

Littlestown GUEST PASTORS FOR REDEEMER'S ARE ANNOUNCED

The Rev. Frank E. Reynolds has announced that three guest ministers have been secured to preach in Redeemer's Reformed Church in August as is the annual custom. Sunday, August 3, the Rev. J. Alfred Fryer, pastor of Memorial Reformed Church, York, will present the sermon. The Rev. Mr. Fryer is well known in the community as he was the speaker at a memorial service in St. Paul's Lutheran Church several years ago, spoke at a Third District Sunday School rally in Redeemer's Church in 1951, was guest conductor for a concert of sacred music in Redeemer's Church on Good Friday of this year and was in charge of the choral music and orchestra for the passion play presented by the York County Council of Ministers last Ascension Day at York. He is a member of the Board of Education of the Mercersburg Synod.

August 17, at 10:30 a.m. Elwood H. Leister, a senior at the Lutheran Theological Seminary, Gettysburg, will present the sermon. Mr. Leister recently married the organist at Redeemer's Church, the former Miss Shirley Gobrecht. He has also assisted with services at Redeemer's.

The Rev. Theodore Woodrow Boltz, who was pastor at Redeemer's from 1942 to 1946, will be the speaker on Sunday, August 24. The Rev. Mr. Boltz is at present pastor of the Livingston Avenue Reformed Church in New Brunswick, N. J., where he has been located since leaving Littlestown.

Next month teachers in the Adult Sunday School Department will be in charge of teaching the lesson for the entire department as is done annually. The schedule has been arranged as follows: August 3, Theron W. Spangler, teacher of the Hustler's class; August 10, the pastor the Rev. Mr. Reynolds; August 17, A. C. Garland, teacher of the Men's Bible Class; August 24, Edward F. Hawk, teacher of the Ladies' Ever Faithful Bible Class, and August 31, Samuel H. Hinginsbotham, superintendent.

GAS STATION OPERATOR IS CLUB SPEAKER

The assistance given by the major oil companies to service stations to help them properly service cars was outlined Monday evening by Julius Swope, proprietor of Swope's Atlantic service station, in a classification talk given before the local Rotary Club at its meeting in the YWCA.

Before new model cars are ready for distribution to dealers oil companies send charts and experts to the various service stations to show how the new cars should be serviced, Swope said.

In addition, he added, the companies send representatives at intervals to have their cars serviced at the various service stations. These men, experts in lubrication and service, are unknown to the service station operators and the station owners do not know they receive a report on how effective the work at the station has been.

Experts Lend Assistance
The oil companies maintain a staff of experts in various phases of the business who will, upon request, train new men, or give latest details of lubrication work to older employees, Swope said. He also listed other services in the form of displays, advertising, etc., given by the oil companies.

The work of the service stations has increased greatly since World War II, Swope said. He also added that the sale of gasoline has increased considerably. "In 1920 the American car owner used 358 gallons of gasoline per year per car. In 1950 he used 700 gallons per car."

Major William Lipsey, professor of military science and tactics at Gettysburg College, was introduced as a new member of Rotary. Members Julius Swope and Dr. Richard Newsham were inducted into the organization by Edmund W. Thomas, who presented them with Rotary pins, a (Please Turn to Page 8)

FARM AGENCIES PLAN GENERAL COUNTY SURVEY

Local representatives of various divisions of the Department of Agriculture, plus highway department officials and officials of local divisions of state departments organized Monday night as the county's Agriculture Resources Conservation Committee to begin a survey that is designed to be a master report on what is needed to protect and perfect the county's soil, wildlife and farms.

Meeting at the office of the county Production and Marketing Committee, York St., the group included representatives of the county Soil Conservation Service, Vocational Agriculture, Production and Marketing Administration, Bureau of Agricultural Economics, State Fish and Game Commission, Farmers Home Administration, the state highway department and other organizations. M. T. Walter, chairman of PMA, was named as chairman of the Resources Conservation Committee.

Includes Many Problems
The various department representatives pledged to complete surveys from their particular angle in connection with the county's resources and needs, and a committee comprising Richard C. Lighter, county supervisor of agricultural education, Richard Long, of the Soil Conservation Service, Roy Weaver of the Farm Home Administration and chairman Walter was appointed to correlate all of the various reports into one overall survey of the county. The various reports are to be in to the central committee by August 20. When it has completed the county report a meeting of all representatives will be held to go over the general report to determine whether it is satisfactory to all of the group.

The report will include details on such matters as effects of erosion and leaching on the county's soils, pollution of streams, land that should be left in timber and grass, (Please Turn to Page 2)

Local Apartment Burglary Reported

Ann Moser, 50 York St., reported to borough police Monday night that her apartment had been entered during her absence sometime between 6:30 and 10:30 o'clock Monday evening.

Borough Officer Raymond Menges, who investigated, said that apparently the only thing missing was a red fountain pen, and that the person or persons who had entered the apartment had apparently gotten into the place through an unlocked screen door.

BANDS DRILL FRIDAY
The Lincoln School band and the Junior High School band will rehearse Friday evening at 7:30 o'clock in the high school band room. Practices will be held each Friday during August.

Honest Tourist

An Indiana tourist who visited Gettysburg two weeks ago deserves a prize for honesty.

In a letter to the DeLuxe Restaurant, Chambersburg St., Mrs. Florence M. King, New Salisbury, Ind., wrote:

"One day last week my son, a grandson, my sister and I stopped at your restaurant for a meal. "While you were getting it ready I strolled over to your rack of post cards, selected three, and meant to pay for them when I paid for my meal.

"However, it slipped my mind, so I am sending five cents, the price of the three cards."

GM OFFICIALS VIEW PROGRESS OF FFA MOVIE

Officials of General Motors visited here Monday to view progress of the Future Farmers of America film being made here under GM sponsorship.

Rogers Kyes, Detroit, vice president of the trucking division of General Motors and president of the Future Farmers of America Foundation, expressed pleasure at the results of the filming after the group was shown reels taken in this section.

The motion picture, which depicts the training given in agricultural education departments and the work of the Future Farmers of America, is being made here with the Gettysburg High School agriculture classes being used as the students and the farm of Glenn Sterner, Gettysburg R. 1, is being used as the farm where the principal character, a school student, is supposed to live. Only one professional actor is being employed. / Other parts are portrayed by local residents. The film will be shown by the national FFA throughout the country.

Complete In 2 Weeks
Filming will be completed in two weeks. Another week will be spent on location here and the final week at the Nazareth Fair. John Ford is in charge of the motion picture division of General Motors.

Elmer Schriver, agricultural education teacher at Gettysburg High School, who was selected by the national FFA as technical adviser for the film, said that final scenes at Gettysburg High School were made today after which the group will return to the Sterner farm for further pictures.

A 1930 Ford truck owned by Charles McGuigan has assumed a prominent role as a farm vehicle in the picture. Equipment loaned by Richard Long, local soil conservationist, is also being used.

Gettysburg High School students who are being used for scenes showing shop and classroom work and FFA club meetings include: Kenneth Williams, Dale Dolly, Herbert Wetzel, Lowell Pepple, Ray Weatherly, John Sanders, Glenn Zepp, Walter Plank, John Coleman, Charles Sterner, Kenneth Sterner, Francis Hartman, Richard Shealer, George Carey, Lloyd Spence, Paul Clapsaddle, Ted Crouse, Donald Dillon, Fred Grace, Duane Hall, Richard Pickering, Kenneth Lightner, John Colvard, Richard Musselman, William Orner, Larry Cool, Joseph Miller, Roy Weaver Jr., James Singley, David Seibert and Jay Crouse.

2 COUNTIANS HELD FOR COURT

Robert Junior Kauffman and Roy Keefer, both of Gardners R. 2, were held for court Monday evening by Justice of the Peace David Pitzer, Aspers, on assault and battery charges placed as a result of a disturbance in the parking lot at the Aspers Firemen's bazaar July 19.

Kauffman was released on \$1,000 bail on the assault and battery charge. Keefer was placed in jail in default of \$1,000 bail on the charge.

State police, who investigated the case, said Kauffman struck Fire Policeman Russell Lupp, Idaville, when he attempted to direct the Kauffman car to a parking space. Keefer is said to have struck Aspers Fireman Cecil William Beas when he went to Lupp's aid.

REDD FELLOWS TO MEET

Refreshments will be served following the regular meeting of the local Odd Fellows this evening at 8:30 o'clock at the lodge hall on Chambersburg St.

"DEAD" BABY IS HOME

PHILADELPHIA (AP)—For the first time in her life, little Mary Georgianna Hughes is home today—a place no one ever thought she would see 52 days ago when she was born prematurely.

Then she weighed two and a half pounds, appeared to be still-born and was pronounced dead. But Police Inspector George Mayne, called to make a report, heard a noise in the new paper in which the child was wrapped, opened the bundle and found the baby very much alive.

Mrs. Thomas Hughes, the child's mother, called it a miracle and said the child was named Mary "for the Blessed Virgin who gave her back to us."

After a tour in an incubator she left the hospital yesterday, a strapping six pounder with a shock of dark hair, a pink smiling face and you guessed it—a good pair of lungs.

\$690,178 Addition To Local High School, Grade Building At New Oxford Given Approval

Services Are Held For Mrs. Adda Parr

Funeral services for Mrs. Adda E. Parr, 94, N. Queen St., Littlestown, widow of the Rev. Dr. Amos A. Parr, who died suddenly at 1:10 p.m. Saturday at the home of her son-in-law and daughter, Mr. and Mrs. Glenn B. Miller, 100 Croydon Rd., Baltimore, where she was visiting, were held this morning at 11 o'clock at Little's Funeral Home, Littlestown.

The Rev. David S. Kammerer, pastor of St. Paul's Lutheran Church, Littlestown, officiated. Interment was in Mt. Carmel Cemetery, Littlestown.

Serving as pallbearers were Lloyd I. Stavelly, A. K. Stock, Roy Stock, Parr Breighner, Mervin Weikert and Arthur E. Bair Sr.

Here And There

News Collected At Random

FOR WOMEN ONLY

When you bake cookies of the soft variety, store them in a covered stone jar. Then put an apple in the crock to retain freshness and keep them soft until the very last cookie is gone.

Girls and women who find it necessary to pin up their hair in curls every night will have some new equipment to work with. Recently patented is a rubber-tipped bobby pin that is said to be an added protection to the hair, scalp and nails. And for those who prefer the tooth method for prying open the pins, the new invention should be an added safety for the teeth.

FLAVOR ACCENT. Broiled apple rings, spread with a zesty olive-cheese blend, will accent the flavors of your meats and make your meats go farther, too. To prepare, core four Adams County apples and slice into thick rings. Combine 1/4 cup chopped ripe olives, 1/4 cup grated American cheese, 1/4 cup mayonnaise and a few drops Tabasco sauce. Blend well and spread over apple ring slices. Place under broiler until cheese is melted and mayonnaise lightly browned.

If you're afraid baby will slip in the basin during those early bathing sessions, try this: wear a soft flannel glove on your "holding" hand. It doesn't matter if the glove gets wet—if you've chosen a chamomile-colored household work glove. Helping you get a good grip on baby is only one of its many functions—use a pair for dusting, sweeping, or polishing; then launder in hot soapsuds after the job is done.

Has anyone advised you to wear nylon nylons while tubbing your sheer nylons? Made with elastic to hug your wrists, these washable nylons protect your hosiery and lingerie from finger snags during sudsing and rinsing.

When Venetian blinds look dismal, faded tape may be at fault. It's smart to substitute plastic tapes; you can wipe them off with a soap-sudsy cloth at the first sign of dust and grime. They'll stay like new with that little effort.

When guests are expected, remove light bulbs from all lamps and wipe them with a sudsy cloth for maximum light and cheer. Then dry the bulbs, put them back in place, and spray them with cologne. When the party starts, the heat will send a subtle scent throughout the room.

It's a good idea once in a while to wash your children's gym shoes with soap and water.

APPLY FOR LICENSE

Charles L. Julius, York R. 1, and Helen Irene Wolfe, Hampton, have filed application for a wedding license in York.

The Adams County School Board Monday evening put its stamp of approval on more than a million dollars' worth of new school building at Gettysburg and New Oxford.

The board approved plans of the Lower Adams Joint School System to construct a \$425,000 elementary school at New Oxford, gave approval to a \$690,000 addition to the Gettysburg High School, and approved a \$221,660 addition which has already been constructed at the local High School.

New Oxford plans call for the erection of a one-story building containing 15 classrooms, a special education room, a health room, office, storage space, cafeteria, which will include a utility room, and a kitchen.

Present "hope" of the Lower Adams district is to have the new structure, to be located on a 17.67-acre plot adjoining the present high school land east of Berlin Ave., completed by September, 1953, according to the report presented to the county board.

To Close 7 Schools
When the new structure is built six one-room schools and one three-room school in the jointure will be closed. Four elementary grade units now in the high school building will be transferred to the new building, thus permitting more space in the high school for the secondary school students.

Assistant County Superintendent of Schools Charles I. Raffensperger, in presenting to the board Lower Adams' plans observed that "the district is greatly in need of more space; they just don't have enough room to comfortably handle their present enrollment."

The \$690,178.44 addition at Gettysburg High School comprises a new auditorium and classroom section to be built north of the present high school.

The approval given to the \$221,000 addition, which has already been built at Gettysburg High School and has been in use for the past year, was made as a formality to permit the Gettysburg Joint District to receive rental reimbursement from the state for the new addition. When the structure was originally planned the rental reimbursement did not exist, coming into being with the last session of the state legislature.

County Superintendent of Schools J. Floyd Slaybaugh reported that J. Hugh Henderson, chief of school business of the state Department of Public Instruction, will speak on school legislation at the annual Adams County School Directors convention-picnic to be held Thursday, August 7, at South Mountain Fairgrounds.

Other Speakers
Other speakers include William Bevan, who will speak on school bus contracts and Dr. Carl Mornewick, who will speak on school attendance. Both are officials of the state Department of Public Instruction. Rev. Nevin Frantz will have charge of devotions. The meal will be prepared by the Ever Ready Sunday School class of the Arendtsville Reformed Church, Slaysbaugh said.

The board approved payment of \$83.34 per month to Mrs. Thalia Clapper, secretary at the county superintendent's office, to bring her salary to \$2,680 per year in accordance with the amount listed at the June 26 convention of the county school directors. The board also approved bills of \$4.25 for song sheets and \$29.65 for an electric fan for the county office from R. W. Wentz and Sons.

President Luther M. Lady presided at the meeting held in the office of the county superintendent of schools at the Court House.

FARM AGENCIES

(Continued from Page 1)

the amount of acreage needed for game refuges, flood control needs and measures, needs of lime and fertilizer for proper development of the soil, and a hundred other items concerning the county's agricultural resources.

Flood Control A Part

The highway department is scheduled to report on erosion and drainage problems in connection with its roads and bridges, the fish and game representatives will report on fish stocked in streams and problems concerning flooding of streams, the soil conservation group will report on drainage and similar needs. All will report on their ideas of what needs to be done to improve the conditions they have observed.

Walter said the plan is to make the survey an annual affair, with the hope that it will prove an overall county plan into which work on individual farms and streams can be integrated.

As an example, he pointed out, drainage work on an individual farm could thus be correlated with flood control, wildlife and erosion work throughout the county.

Rec Directors To Elect On Thursday

A meeting of the Board of Directors of the Gettysburg Recreation Association will be held Thursday evening at 7:30 o'clock in the law offices of Swope, Brown and Swope, according to notices sent out by the secretary, Mahlon P. Hartzell. Officers are to be elected. Three new directors, Donald W. McSherry, Michael Tate and Adam Myers, will take their places on the board.

Hold Services For East Berlin Infant

Graveside funeral services were held at 2 o'clock Sunday afternoon for Richard John Miller, 20-day-old son of Mr. and Mrs. Richard J. Miller of East Berlin, who died Saturday afternoon in the Hanover Hospital.

Besides his parents, the infant leaves his maternal grandparents, Mr. and Mrs. John D. Spangler, East Berlin.

Interment was in the Heidlersburg Cemetery, with the Rev. William H. Banks of Hanover officiating.

Upper Communities

Telephone Mrs. Richard Raffensperger, Biglerville 32-W

Mr. and Mrs. Donald Ernst, Arendtsville, held a wiener roast for their children, John and Ann, Friday evening at the Arendtsville park.

The guests included Gertrude Hoffman, Judy Rinehart, Ted Orner, Steve Guise, Tommy Heckenluber, Lindy and Jeffrey Bosserman, David Lackner, and Mary and Martha McDannell.

Lt. Col. and Mrs. George W. Martin and children, Bill and Elizabeth, who have been living in Honolulu for three years, are spending a ten day furlough with Mrs. Martin's parents, Mr. and Mrs. Carl W. Kane, Arendtsville.

Mrs. Mildred Hildebrand and children, Clara Lou, Lola Ann and Edgar, Biglerville, spent Sunday in Baltimore with Mr. and Mrs. L. O. Hildebrand.

Mr. and Mrs. Sherman Roe and son, Bobby, Mr. and Mrs. David Sandoe and son, Cecil, Mr. and Mrs. Thomas McGlaughlin, Miss Viola McGlaughlin and Bill Gruffy, Biglerville, spent the week end at Noel's Beach, Baltimore.

The Idaville 4-H Club will meet Thursday morning at 9 o'clock at the home of Doris Bream.

Steve Guise, who has concluded a week's visit with his cousin, Ted Orner, Arendtsville, was accompanied to his home in Harrisburg Sunday, by his uncle and aunt, Mr. and Mrs. Arnold Orner. Ted Orner will remain this week in Harrisburg visiting his cousins, Steve and Judy Guise.

The annual family picnic of the postmasters of Adams and York Counties was held Sunday at the Tumbling Run Hunting Lodge near Pine Grove. Grover C. Myers, postmaster at Gardners, was the host. Among the 74 persons who attended were Mr. and Mrs. C. E. Moo, York. Mr. Moo is the district inspector of the York-Adams-Franklin Counties area.

Mrs. R. C. Walton, Biglerville, left Monday for Clearwater, Fla., where she will make her future home. Mrs. Walton will continue to operate a book and gift shop in Florida as she has done for a number of years in Biglerville. Associated with her in the business will be her sister, Mrs. N. J. Weiss, Albion, Mich., who will join her in September. Miss Mary Lockner, Harrisburg, accompanied Mrs. Walton to Clearwater and will return to her home in two weeks.

Word has been received that Mr. and Mrs. Clair Wehler, Thomasville, announced the arrival of their second son, Scott Allan, in the York Hospital on Friday. The mother was the former Jane Guise, Arendtsville.

The Ladies' Bible Class of the Bethlehem Lutheran Sunday School, Benderville, will meet Wednesday evening at 7:30 o'clock at the home of Mrs. Margaret Peters.

Jack Orner, son of Mr. and Mrs. Arnold Orner, Arendtsville, has accepted a position in the accounting department at Knouse Foods Co-Operative Inc., Peach Glen.

Seaman Percy Boehr, Little Creek, Va., visited a few days with his wife and daughter in Arendtsville.

Mr. and Mrs. C. W. Fidler and daughter, Christine, Daytona Beach, Fla., were week-end guests at the home of Mr. and Mrs. W. B. Fidler, Aspers R. D.

UPPER COMM 2CAG Mr. and Mrs. Hewitt Worthington and son, Fred, Hagerstown, were week-end guests at the home of Mrs. Worthington's mother, Mrs. Edwin Roth, Biglerville.

Cameron Hoffman has returned to his home in Arendtsville after a business trip to Ashland, O.

Mr. and Mrs. Arnold Raffensperger, Arendtsville, spent the week end at Beach Haven, N. J., with their sons and daughters-in-laws, Dr. and Mrs. Bruce Raffensperger, and daughter, Nancy, Philadelphia, and Atty. and Mrs. S. M. Raffensperger, Gettysburg, who are vacationing a week at this resort. Miss Nancy Raffensperger accompanied her grandparents home and will remain this week with them.

Eleven of the 12 living children of the late Charles A. and Annie K. Crouse and their families, including grandchildren and great-grandchildren, held their 14th annual gathering at Twin Oaks Park, Columbia, Sunday. Following a basket lunch, swimming and other outdoor sports were enjoyed.

Funeral services were held at the Pittenurf Funeral Home, York Springs, Monday afternoon at 3:30 o'clock for Charles I. Bushey, 83, who died Friday in Cumberland Twp.

The Rev. Norman Bortner officiated and interment was in Sunny-side Cemetery. The pallbearers were Lloyd Keefe, Charles Reinecker, Edward Prosser, Clarence Sheaffer, Harry Griest and H. C. Myers.

LANCASTER CATTLE LANCASTER, Pa. (AP)—Cattle 338, dressed beef market sluggish because of hot weather, light run of steers sold at steady prices. GHS Opens At Westminster; Reserved Seats To Be Sold

In less than one month, on August 18, the Gettysburg High School football candidates will report to Coaches Howard Shoemaker and Ross Sachs to begin preparation for their opening game which will be with the Westminster Owls at Westminster Friday night, September 12.

With a good nucleus returning from last year's unbeaten South Penn championship squad, prospects are bright for another good season although the Warrior coaches face many problems to capably fill the shoes of those who graduated.

George Forney, athletic director, has announced reserved seats will again be offered the public. Season tickets for the four home games will be \$3.50. For individual games reserved seats will be \$1.

General admission for varsity games will be 75c and for Junior High contests 40c.

Schedules for the squads follow:

Varsity
September 12, Westminster, away; 19, Delone, home; 26, Carlisle, home; October 3, Hanover, away; 10, Waynesboro, home; 17, Shippensburg, away; 24, Chambersburg, home; 31, Hershey, away; November 7, Mechanicsburg, away.

Junior High
September 12, Westminster, away; 19, Delone, home; 26, Carlisle, home; October 3, Hanover, away; 10, Waynesboro, home; 17, Shippensburg, away; 24, Chambersburg, home; 31, Hershey, away; November 7, Mechanicsburg, away.

A single game has been carded with Hanover for the Warrior junior varsity at Hanover October 9 at 3:30 p.m.

A marriage license was issued at the Court House today to Gene Theron Walker, U. S. Army, son of Mr. and Mrs. Harry Alan Walker, Gettysburg R. 1, and Betty Jane Kauffman, daughter of Mr. and Mrs. James Walter Kauffman, Fairfield.

Augie Guglielmo, National League umpire, is a veteran of 27 months service in the South Pacific during World War II. He participated in the invasions of Hollandia and Biak.

TOP TEAMS SEE LEADS DWINDLE; NEED PITCHING

By JOE REICHLER

Associated Press Sports Writer

Managers Charlie Dressen of the Brooklyn Dodgers and Casey Stengel of the New York Yankees were beseeching their bosses for more pitching help today after watching their once impregnable leads shrink like a 10 dollar suit in the rain.

Yesterday's 12-2 Yankee loss to Detroit and the 3-2 Dodger defeat by the St. Louis Cardinals climaxed a sorry six days that saw this happen:

1. The Yankees' American League lead of five games over Boston and seven over Cleveland dwindle to three over the now second-place Indians and 3½ over the Red Sox.

Cards Creep Up

2. The Dodgers 7½ game bulge over the New York Giants dropped to only four. Even the third-place Cardinals, who were 13 games back and apparently out of the race, now trail by only 9½.

Gerry Staley applied the final crusher to the Dodgers last night, shutting a four-hitter and losing a hurling in the ninth when two St. Louis errors gave the Dodgers a pair of unearned runs.

There was little doubt about the Yankee outcome after the first inning when the Tigers broke through rookie Harry Schaeffer for three quick runs. The Tigers continued to slug away, accumulating 15 hits while Hal Newhouse coasted to his third victory with a neat seven-hitter. Walt Drope led the Tiger attack with a pair of homers, his 17th and 18th of the season.

Senators Lose

In the only other scheduled game, the St. Louis Browns upset the Washington Senators, 6-3, as Satchel Paige celebrated a "night" in his honor by pitching his seventh triumph. A three-run triple by Bobby Young highlighted a four-run first inning against Lefty Lou Sleater. Paige tired in the seventh inning and needed help from Bob Cain.

Major League Leaders

By The Associated Press

NATIONAL LEAGUE

Batting—Musial, St. Louis, .327

Strikeouts—Shantz, Philadelphia, 103

Eastern League

By The Associated Press

"No pitch, no hit" is the thumb-nail tale of the Albany Senators' vanishing lead in the Eastern League.

Three Albany pitchers failed to squelch a 14-hit attack by Schenectady last night, as the Blue Jays rolled over the Senators, 7-2, at Schenectady.

At Scranton, Ed Yasinski of the Elmira Pioneers threw a four-hitter to beat the Miners, 5-1, in the second game of a "Community Night" doubleheader. Scranton won the first game, 8-7.

MONTREAL—Johnny Bratton, 151½, Chicago, stopped Laurent Dauthuille, 157½, France (3)

The wild elk herd of Wyoming is estimated to number about 35,000.

YOUNGSTER DROWNS

WEST MILFORD, N. J. (AP)—Ten-year-old George Beatty of Bethayres, Pa., drowned yesterday in Pine Cliffe Lake, where he had been swimming. The boy, whose body was recovered from the bottom of the lake, had been visiting his grandparents, Mr. and Mrs. Thomas Beatty.

It is estimated that fire destroys over 460 million cubic feet of timber in the United States every year.

U. S. Has Chance To Overtake Reds

HELSINKI, July 29 (AP) — The United States has no outside chance to overtake Russia in the unofficial battle for Olympic team honors, the experts decided today.

Russia leads at present 502½ to 425 on the basis of 10-5-4-3-2-1 in all events where gold medals are awarded.

Here is the way the experts dope the championships that still remain to be settled before the games end Sunday:

	United States	Russia
Basketball	10	4
Swimming	113	25
Equestrian	25	5

If these predictions hold, the United States would wind up the overall leader by 593 to 581½.

HORNSBY WILL MANAGE REDS THROUGH 1953

CINCINNATI (AP)—The Cincinnati Reds switched horses in mid-stream last night and the announcement brought mixed reactions from Redleg fans.

Following the resignation earlier yesterday of mild-mannered Luke Sewell, the management announced that Rogers Hornsby, recently ousted St. Louis Browns manager, would take over.

Gabe Paul, Reds general manager, said Hornsby would not take the reins until Aug. 5 when the club returns home for a series with the Chicago Cubs.

As far as managers go, Sewell and Hornsby are personalities as different as day and night.

Sewell is a soft-spoken gent who believes in kind and fatherly measures. Hornsby was never one to coddle players. The "Rajah" believes that a player should eat, sleep and talk baseball 24 hours a day.

Can't Find Hornsby

Hornsby, who will be manager through the balance of the year and through 1953, could not be reached for comment on his new job.

Sewell, who quit "because when you don't win in baseball the only thing to do is get out," had been manager of the Reds since Oct. 23, 1949.

The Redleg managership was Sewell's second hitch as a major league pilot.

He directed the St. Louis Browns from 1941 until mid-season of 1946. In 1944, he led the Browns to their only American League pennant in history.

Sewell, in his mid '50s, did not reveal his future plans.

Hornsby, 56, takes over for his sixth chance as a big league manager. He twice piloted the St. Louis Browns and also managed the St. Louis Cardinals, Chicago Cubs and Boston Braves.

PUBLIC SALE

OF VALUABLE REAL ESTATE
August 9, 1952 At 1 O'clock P.M.
On The Premises

This property, situated in Franklin Township, Adams County, Pennsylvania, consists of 67 acres, 55 acres tillable land, and 12 acres of timber and pulpwood, and lies in the fruit belt of Adams County. It is well adapted to fruit, general farming, or stock raising. The property is situated along a black-top highway connecting Arendtsville and Cash-town, 1 mile from Arendtsville and 4 miles from Cashtown.

This property is improved with a 2½-story, 9-room frame dwelling covered with stone shingles, and a bank barn, 70x45 feet, with a 2-car garage, chicken house, and brooder house. House and barn have electricity and each has a good well of water.

This property is bounded by the lands of Boyer, Gift Walter, LeRoy Redding and Mark Hartman.

MARCIANO BEATS MATTHEWS, WILL FIGHT WALCOTT

NEW YORK (AP)—Rocky Marciano eyes a Sept. 23 million dollar title shot at Heavyweight Champion Jersey Joe Walcott after his sensational two-round knockout of Harry Matthews.

"Marciano and Walcott will do all you can put in," said Jim Norris, International Boxing Club president, after last night's Yankee Stadium elimination bout. "A million is a conservative guess, not counting television or theater TV."

"I'm ready for Walcott," said the unbeaten Brockton, Mass., slugger. "I can lick anybody I step in the ring with. I don't say how I'll come out with Joe. I never make predictions. But I'm ready for him."

Has No Alibi

Walcott, who watched Marciano's crumpling leg hooks to the jaw sprawl Matthews on his back in 2:04 of the second round, said he was "looking forward to meeting Marciano."

Back under the stands in Matthews' dressing room, manager Jack Hurley who does all the talking for his Seattle fighter said "Harry was a glorified amateur for 10 years and tonight he reverted to type." Matthews had little to say, grinning sheepishly. Neither had any alibi about bad hands or officials.

The payoff on Marciano - Matthews was disappointing in contrast to early estimates. But a last minute gate sale saved it from being a flop. A crowd of 31,188 paid \$215,707 to see the show that barely beat the rain.

Won First Round

Matthews won round No. 1 on the cards of Referee Ray Miller, Judges Harold Barnes and Joe Agnello and the A. P. but that was all, brother. Two crumpling hooks to the jaw, some 30 seconds after a long looping right started Mat-

thews on his way, brought victory to swarthy Rocky, an 11 to 5 favorite. Marciano had an 8½ pound advantage at 187½ to Matthews' 179.

ARTHRITIS

I have been wonderfully blessed in being restored to health and active life after being crippled in every joint in my body and muscular soreness from head to foot.

I had Rheumatoid Arthritis and other forms of Rheumatism, hands deformed and my ankles were set.

Limited space prohibits telling you more here but if you will write me I will reply at once and tell you how I received this wonderful relief.

Out Of The Past
From the Files of the Star and Sentinel and The Gettysburg Times

FIFTY YEARS AGO
Local Miscellany: Roasting ears are becoming plentiful and sell on the streets for 12 cents per dozen. We are informed that hay is selling from \$15 to \$17 per ton out of the field in the neighborhood. The hum of the threshing machine is heard everywhere in the rural districts.

Superintendent Gintling is having about a dozen new transformers put up throughout the town. When this work is completed the electric light system will be much improved as the transformers add greatly in strengthening the lights. A number of them are already in place.

The bicyclist is legally entitled to half the road and should be accorded that privilege.
Our veteran townsman, Lewis E. Kummerant, has the most beautiful lot of tame rabbits we have ever seen. Mr. Kummerant takes great interest in the raising of rabbits, pigeons and chickens, and has been very successful in this line.

Camping Party: The following young men of town will camp at Decker's bottom: Paul Basehoar, Geo. Crouse, Ralph Wierman, Raymond Topper, William Adams and Clair Sweney.

The Town Council is justified in donating \$10 to each of the regular policemen and \$16 to Burgess Eicholtz for extra services rendered during the encampment of the National Guards. These officials, with the assistance of special policemen, rendered considerable extra, and very efficient service. During the week Burgess Eicholtz collected license money, fines, &c., to the amount of \$316.00.

The annual Adams County Pic-Nic will be held at Pine Grove on Saturday, August 16th. For excursion rates and time of train consult large bills.

Marriages: Witter-Morrison—July 27th, at New Oxford, by Rev. P. E. Heimer, G. W. Witter, of Straban township, to Miss Jennie May Morrison, of this place.

Base Ball: Gettysburg has a comparatively good base ball team and we may expect some interesting games during the next few weeks. The team is scheduled to cross bats with the Actives of Littlestown at that place on Thursday, and on Saturday will play the Emmitsburg club on Nixon Field. Game will be called at 3:15; admission, 15 cents. Following will be the batting order of the team Saturday:
Stock 3b, Adams ss, Sieber 2b, Wisotzkey cf, Smiley 1b, Lower rf, Kauffman p, Hartzel lf, Dickson c.

Lightning Struck the Chimney: During the thunder storm Sunday afternoon lightning struck the chimney on the house of Henry Kalbfleisch, North Washington street. The top of the chimney was somewhat shattered, a large board was torn from the gable end, some plastering and lath were torn loose on the second floor and soot was scattered over the kitchen floor. Mr. and Mrs. Kalbfleisch were in the house at the time, but fortunately were not injured by the stroke.

St. Francis Xavier's Church Grand Pic-Nic will be held at Round Top Park, Aug. 12th.

Election of Officers: Betsy Ross Council, No. 119, Daughters of Liberty, has elected these officers for the ensuing term:

Jr. Ex. C. Mrs. Louisa Kitzmiller; Jr. Ex. A. C. Mrs. Alice Dayhoff; C. Mrs. Sarah Sachs; A. C. J. Frank Dougherty; V. C. Miss Emma Shaner; A. V. C. Mrs. Jennie Wavell; R. S. Wm. H. Frey; A. R. S. Mrs. Emma Lynn; P. S. Miss Emma Sheads; Treas. John M. Minnigh; G. Mrs. Emma Garlach; I. G. Miss Mary Hull; O. G. Mrs. Cath. Flagg; Trustee, J. Frank Dougherty; Rep. to State Council, Mrs. Blanche Dougherty.

Personal Mention: Rev. S. L. Rice and family, George W. Cook and wife and Mrs. Mary E. Heck are attending the Penn Grove Camp. George Eberhart and sister, Miss Lena, are spending ten days at Atlantic City.

Mrs. Levi Diehl and family are

Today's Talk

By GEORGE MATTHEW ADAMS

THE REACH OF NATURE
Nature puts out her arms, and is forever planting voices in both expected and unexpected places. Flowers, animals, birds, trees, rocks, waters of many forms. These are voices of nature. I look out upon the trees and note that each branch keeps reaching, each leaf of every tree or flower also reaching out — upward to the Sun and outward to all those with seeing eyes.

Everything in nature is a miracle, and perfectly conceived. There is a family relationship between every created thing in nature. Pick up the commonest pebble or stone of a larger denomination, and note the tiniest flower, like the ones I plucked today along the shore of my summer island retreat. They were little blue flowers, hugged by a blade or so that resembled grass, yet that small wonder was perfect in every detail. And there was a purpose for its creation, as there is for everything created, though we may be unable to fathom that secret.

Why is it that the desert is so profuse with flowers of an almost unearthly character? Why is it that some, like the orchid, originate in swamps and difficult places — in jungles where man rarely goes? Nature has always reached out. It is a restless force. Why is it that the needles of each variety of pines are not the same but characteristic of its species? Why such a variety of colorings to birds? Take the warblers, for example — what a study of the almost endless varieties — and what wonderful creatures they are!

That tiny humming bird, one of the most remarkable of all birds, spreads its journey over thousands of miles, and apparently thinks nothing of it. Nothing in this world is so intimate to one with love in his heart as nature. The handiwork of God is in it all. The late Dr. George Washington Carver said that he talked with flowers, and I can well understand that he did, for I do the same thing. I am never alone in nature. She is the origin of all beauty. God distributes his blessings through her, for she is the Mother of us all!

Tomorrow Mr. Adams will talk on the subject: "Thoreau and 'Weskawenak.'" "

Just Folks

ROADSIDE TABLE
A place to eat beneath the trees. Conditioned by a summer breeze. Free music—sweet and merry song—By birds provided all day long. A table large enough for all. The grown-ups and the children small;
A games room, carpeted in green; A gallery where great art is seen; The loveliest landscapes on display,
Painted in nature's perfect way. No restaurant, however fine. Provide so rich a place to dine. So restful and so calm a spot Where care and heartache are forgot.
As this, with neither door nor wall, Wide open, free for one and all. (Copyright, 1952, Edgar A. Guest)

spending ten days with Rufus Diehl and family, near Mummaburg. Mrs. George B. Zane, Jr. and daughter, Dorothy, and nurse, Miss Flora Shields, left last week for Asbury Park, where they will spend several weeks.

Mark K. Eckert left on Wednesday on a ten days' trip to Boston by steamer. There are twelve in the party, of which Rev. C. S. Trump, of Martinsburg, is the chaplain.

"Eddie" S. Plank, of the Athletics base ball club, Philadelphia, spent the past several days at his home in Straban township. Mr. Plank has been sick for several weeks and came home to rusticate a few days.

Miss Vergie Musser is spending several weeks with relatives in and around Bendersville.

Mrs. E. S. Faber and family are attending the Summit Grove Camp meeting.

Mrs. L. T. Seylar and three children, of Straban township, are on a two weeks' visit to relatives in Franklin and Fulton counties.

The engagement is announced of Miss Elizabeth McLanahan, daughter of Dr. and Mrs. S. Johnson McLanahan, Chambersburg, to Hon. Donald P. McPherson, of this place.

Norman D. Hoke and John Ziegler are on a ten days' trip to Atlantic City, Philadelphia, and other points.

Miss Sarah Raffensperger and Miss Myrtle Hoke are spending several days with Hanover friends.

Arthur E. Rice left for Atlantic City last Wednesday and expects to spend the remainder of his vacation there.

Miss Mary Lindsay, of Chicago, Miss Louise Spangler, of Chambersburg, and Miss Anna McIlhenny, of this place, spent a few days with Miss Margaret Barr, of Valeburg.

The first American woman who was a professional author was Hannah Adams, whose first book, published in 1784, was called "Alphabetical Compendium of the Various Sects which Have Appeared from the Beginning of the Christian Era to the Present Day."

ALCOA WALKOUT AVERTED; BOOST IN PAY GIVEN

PITTSBURGH (P)—Settlement of a threatened aluminum strike and speed-up of steel production put the nation's economy on firm footing today for the first time in two months.

A walkout of 15,000 CIO steel workers at nine plants of the giant Aluminum Company of America was averted last night by an 11th hour settlement.

Increase Retroactive
The settlement gives the workers a 21.4 cents an hour pay benefit package. Of that 15 cents is retroactive to March 10 and four cents effective July 1. The pact also calls for a modified union shop where employees must apply for union membership but may withdraw during the 15th to 30th day of employment. Old employees are exempt.

Approval of a new wage contract between Kaiser Aluminum and Chemical Corp. and the CIO United Steelworkers Union affecting 5,000 employees in Kaiser plants also was announced.

Meanwhile, steel companies took short cuts to speed up production. By truck and railroad tinsplate and other steel products moved to consumers.

But one sour note in the general

back to work story came from Defense Production Administrator Henry H. Fowler. He warned it may be two or three months before manufacturers of civilian goods get sufficient flow of new steel. Fowler estimates steel production loss at 20 million tons.

ACCUSE REDS OF STALLING

MUNSAN, Korea (P)—The United Nations Command today accused the Reds of stalling in the staff officer talks on a proposed Korean armistice agreement.

The charge came from the U. N. Command spokesman, Lt. Col. Joseph J. Borchert, after U. N. and Communist staff officers met one hour and 44 minutes at Panmunjom on wording of the truce agreement draft.

The staff officers are talking over the meaning of words and phrases in the draft while the full dress conference—deadlocked over the prisoner exchange issue—is in recess until Sunday.

Col. Duncan S. Somerville, U. N. staff officer, told newsmen the Reds apparently are under the impression they "can make progress by putting fancy rosebuds on the chariot when we have no wheels on it."

Radio waves travel at the speed of light, about 186,000 miles per second.

DELAY BURIAL OF EVA PERON

BUENOS AIRES, Argentina (P)—The flooding grief of the Argentine people has postponed funeral services for Eva Peron, the nation's first lady, at least until tomorrow.

President Juan D. Peron announced last night that the body of his wife would continue to lie in state in an improvised chapel in the Labor Ministry until waiting throngs could pay their last sorrowing respects.

ranked thinned, the body would lie in state for a full day in the National Congress Building. Then it will be moved for burial in the hall of the General Labor Confederation, whose six million members were Mrs. Peron's most devoted supporters.

No official announcement was made of the new funeral date, but the rites apparently will not be held until tomorrow and possibly not until later.

A ceaseless line of mourners flowed past the flower-strewn casket despite thunderstorms which

punctuated the night. Some persons waited as long as 18 hours in the sporadic rains for a chance to view the body.

Among the oldest known diamonds are two small stones in the eyes of a 5th Century B. C. Greek statuette now in the British Museum.

TENSION EASES AND TWO RIVAL UNIONS CONFER

TERRE HAUTE, Ind. (P)—Tension eased a little on the Allis-Chalmers picket line today as two rival unions backed their forces and conferred with the state labor commissioner.

Eight men were injured, one critically as AFL members cracked the CIO picket line at the strike-bound plant yesterday.

Commissioner Thomas R. Hutson conferred separately with the rival union leaders last night and said the AFL men had agreed not to try to go through today. He said the conferences would continue.

In Critical Condition
John Martin of Paris, Ill., an AFL member, remained in critical condition with a lung puncture. The jurisdictional dispute in-

volves the AFL-International Union of Operating Engineers and the CIO - United Auto Workers. The UAW has been on strike for higher wages and a union shop since May 7.

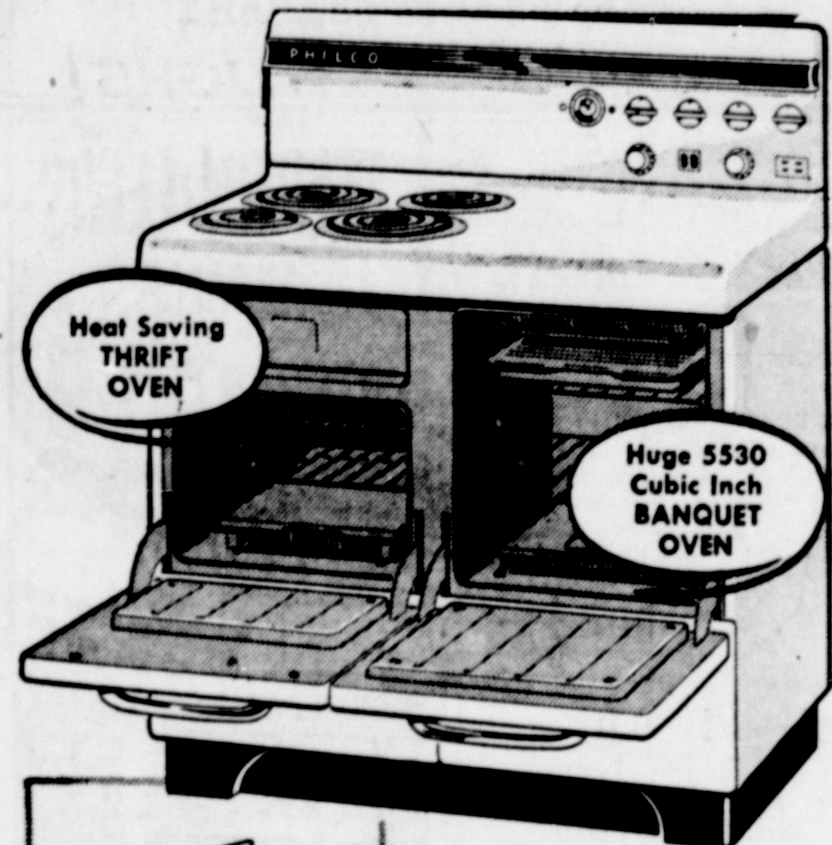

After police quelled the fighting, Mayor Ralph Tucker asked Allis-Chalmers officials to close the plant. Martin L. Carson, general superintendent, said the plant is making important defense materials and public officials should protect the rights of workers who want to work.

Carson said public officials had "ample opportunity" to prevent disorder because the AFL group last week had announced its plans to go through the CIO picket line.

What women say about

Electric COOKING

IT'S CLEAN

Clean as a light bulb, heat for electric cooking comes from a wire—no combustion, no soot, no grime. Cooking utensils, kitchen walls and curtains remain cleaner longer.

IT'S COOLER

The heat from surface units is transferred directly to utensils. The electric oven is insulated on all of its six sides. No flame, no flue to put waste heat into the kitchen.

IT'S ACCURATE

Electricity is the only accurately measured and completely controlled fuel. Every switch setting gives an identical amount of heat every time. No fluctuation, no guessing.

IT'S ECONOMICAL

Records show that electric cooking is a better value dollar for dollar. Operating costs are low because electricity is the cheapest item in the family budget.

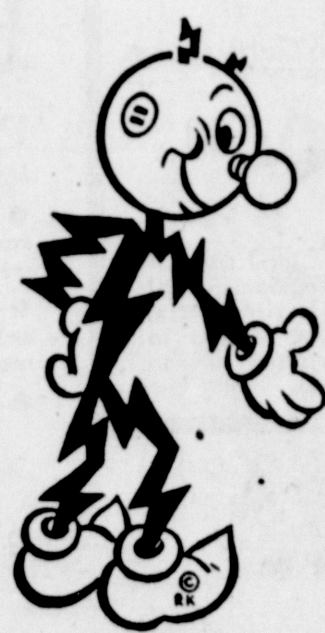

IT'S AUTOMATIC

No worrying after you place a meal in the oven of an electric range. Go your way, free from kitchen drudgery, while time and temperature controls give recipe exactness.

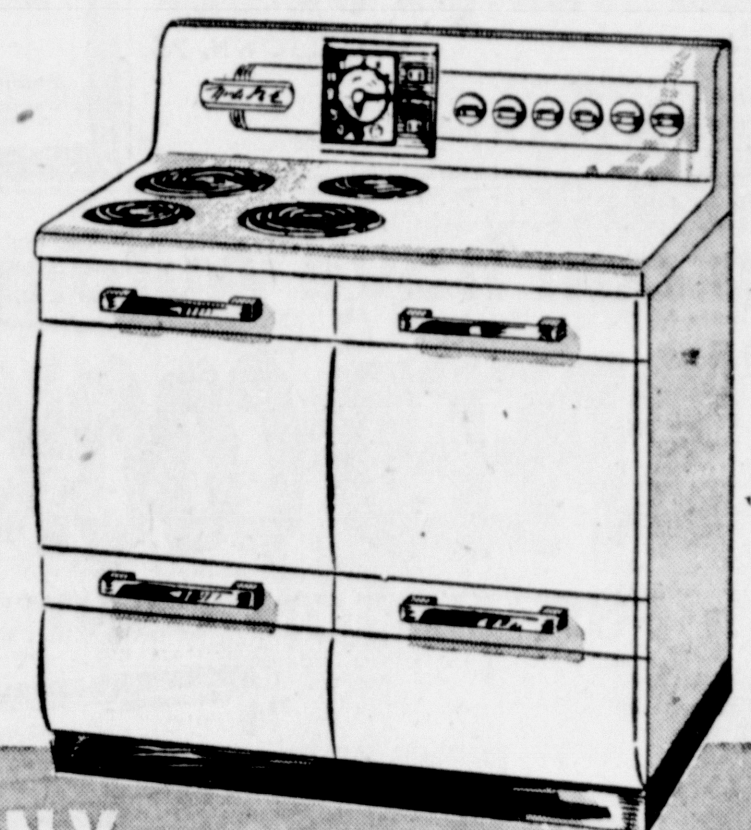

IT'S FAST

Electricity provides fast even heat at the flick of a switch. Surface units cook by direct contact with pans. Insulated oven retains heat to cook with maximum speed.

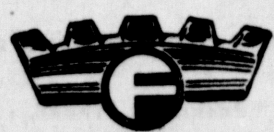

These desirable features tell only part of the wonderful story about electric cooking. Ask your local appliance dealer for a demonstration of why most housewives prefer an electric range. You too will enjoy this easier, safer way to cook.

Littlestown KITCHENETTES WILL APPEAR AT FESTIVAL

The Biglerville Kitchenettes will be one of the featured attractions on the program for the third annual music festival on Friday evening at 8:30 p.m. on Littlestown Memorial Field. The group will appear in unique costumes and provide musical entertainment on kitchen utensils. The Kitchenettes, popular throughout this area, use the proceeds from their appearances for the advancement of projects in Biglerville. They will perform a drill during the program and prior to the presentation they will participate in a parade of the festival stars in the community.

The program will consist of nine acts. A variety of out of town entertainers will comprise the program, some of which will include Miss U. S. Television, Phyllis Mayers, of Baltimore, a vocalist who sings both popular and semi-classical selections. Bud Messenger and His Skyliners will present western music. The Papermakers Quartet of Spring Grove, who appeared on the program last year, are being brought back by popular request to entertain with barbershop harmony numbers. Mack Edwards will serve as master of ceremonies. Chuck Zink will appear at intermission and introduce recordings.

The music festival is being held under the sponsorship of the Littlestown Junior Chamber of Commerce for the benefit of Memorial

Field. The Jaycees have contributed \$3,000 to the field fund since their organization in 1950.

Plan Swimming Party

The Junior, Intermediate and Young People's Sunday School classes of Centenary Methodist Church will hold a swimming party on Saturday at 12:30 o'clock at the Meadow View pool, Union Mills. The swimming party will precede the annual picnic for the members of the Sunday School, congregation and their friends to be held on the lawn at the home of Mr. and Mrs. Elmer E. Furlow, on the Littlestown-Westminster Rd., from 3 to 6 o'clock. A picnic supper will be provided by the committee in charge.

Mrs. Paul E. King, Littlestown-Taneytown Rd., will be hostess to the Tuck-a-Batch Sunday School class of St. John's Lutheran Church, taught by Wilbur E. Mackley, for the monthly meeting on Wednesday evening at 8 o'clock. The July entertainment committee consists of Mrs. Earl Brumgard and Mrs. George Trump.

Approximately 160 attended the picnic for members of the Sunday School and the congregation of St. John's Lutheran Church and their families and friends Sunday in the church grove. A luncheon was served picnic style at noon. The lunch was provided by the Sunday School classes and Mrs. Malcolm I. Heiser served as chairman of the committee on arrangements, assisted by two members from each of the Sunday School classes.

Program Presented

Immediately following the lunch, the group moved to the Junior Department Sunday School room. The program was as follows: Group singing; invocation by the pastor, the Rev. William C. Karns; vocal duet, Joyce and Susan Streivig accompanied on the piano by Miss Evelyn Harget; reading, Mrs. Edgar A. Wolfe; piano solo, Miss Ann

Karns; selections by a quartet composed of Edgar A. Wolfe, Dale W. Starry, Albert Starner and L. Robert Crouse, accompanied by Miss Harget; vocal duet, Brenda Hess and Evelyn Harget with Mrs. Malcolm Hess at the piano; remarks by Paul E. King, Sunday School superintendent.

A mock wedding was staged. The participants included: Edgar A. Yealy as the bride; Mrs. Fred W. King, the groom; James Duttera, minister; Mrs. Noah Streivig, best man; George W. Streivig, maid of honor; Allen King, ring bearer; Janice King and Kathy Miller, flower girls; Wilbur E. Mackley, bride's father; Mrs. Kenneth Miller; bride's mother; Mr. and Mrs. Walter C. Myers, bride's grandparents; Ronald Streivig, soloist, and Evelyn Harget, pianist. All those taking part in the wedding were dressed in humorous costumes.

At the conclusion of the program, there were games. Those for the boys and girls of the Primary Department were in charge of Ronald Streivig; Junior Department, Mrs. George W. King, and Adult Department, the Rev. Mr. Karns.

Returns After Visit

Carole Opdyke, daughter of Mr. and Mrs. Wilbur Opdyke, Brewster, N. Y., returned to her home after spending two weeks visiting with her maternal grandmother, Mrs. Gertrude Landman, E. King St. Carole was accompanied home by her parents and sister, Barbara, who visited for several days with Mrs. Landman.

Visitors on Saturday evening at the home of Mrs. Edward P. Hawk and family, E. King St., included Mrs. Hawk's brothers-in-law and sisters, Mr. and Mrs. Frank L. Stittley, and daughter, Peggy, and Mr. and Mrs. George W. Miller and Barbara Bange, all of New Windsor, Md. Sandra Hawk returned to the home of her parents after spending the past week with her uncle and aunt, Mr. and Mrs. Stittley.

"Making the Best Use of Our Faith" was the subject of the sermon, based on Matthew 26: verse 68, presented by the Rev. Frank E. Reynolds, pastor of Redeemer's Reformed Church, at the union vesper service on Sunday evening in the pavilion of Crouse Park. The service, which was the final one in the summer series, was in charge of the Rev. G. Howard Koons, pastor of Christ Reformed Church, and opened with the invocation given by the Rev. Mr. Koons. The Scripture lesson, Matthew 5:1-16, was read by the Rev. David S. Kammerer, pastor of St. Paul's Lutheran Church, followed with prayer offered by the Rev. William C. Karns, pastor of St. John's Lutheran Church. An anthem entitled "My God and I" was sung by the Senior choir of Redeemer's Church with Mrs. Elwood H. Leister at the organ, who also accompanied for the congregational singing. The Rev. Harvey B. Simons, pastor of Centenary Methodist Church, delivered the offertory prayer. The service concluded with the benediction pronounced by the Rev. Mr. Koons.

The vespers are held quarterly for a five weeks' period and are arranged by the Littlestown Ministerium, the Rev. Mr. Koons, president.

The Young Men's Sunday School

HAPPY TWOSOME
—Mrs. Joan Moorhead totes her 4-year-old son, Dickie, Indian-fashion as they head for the beach at Atlantic City, N. J., for relief from the heat.

Class of Redeemer's Reformed Church, taught by Dr. Richard M. Phreaner, will enjoy a swimming party on Wednesday evening at 6 o'clock at Crouse's pool, near town. A wiener roast will be held following the swimming.

The Ladies' Auxiliary to the Fraternal Order of Eagles, Littlestown Aerie No. 2226, will hold its second July meeting on Wednesday evening at 8 o'clock at the Eagles Home, W. King St.

Miss Shirley M. Mackley has returned to Harrisburg after visiting for the past several days at the home of her parents, Mr. and Mrs. Wilbur E. Mackley, and family, E. King St.

William Simons, son of the Rev. and Mrs. Harvey B. Simons, E. King St., and Paul M. Randall, Lumber St., have returned after sightseeing for several days in New York City.

Miss Elaine Stavelly, Harrisburg, is spending several days at the home of her parents, Mr. and Mrs. Lloyd L. Stavelly, Crouse Park.

RAIL BOOST DELAYED

WASHINGTON (AP)—For the next two months, anyway, you can sleep on trains for the same old price. Increases authorized by the Interstate Commerce Commission, and which were to have become effective yesterday, were ordered postponed until September 22 to permit time for a new study of the situation.

NEW ATOMIC STATION

WASHINGTON (AP)—The Atomic Energy Commission today authorized a \$3 million dollar testing station for the development of atomic powered aircraft.

MOTOR TRAFFIC ON TURNPIKE IS INCREASING

HARRISBURG (AP)—The Pennsylvania Turnpike Commission reported today traffic on its new 67-mile western extension "has exceeded all our expectations."

A commission spokesman, at the same time, said the temporary 50 mile per hour speed limit between the Pittsburgh and gateway interchanges would be removed as soon as possible. The rest of the 325-mile toll road carries a 70 M.P.H. limit.

"While we can't give out any

accurate figures for the western extension, spot traffic checks indicate it is being used far more than we had expected," the spokesman said.

"We are certain that the western extension has contributed greatly to the record 50,000 vehicles using the turnpike each day," he said.

The commission said the lower speed limit was placed on the new road until contractors finished grading the shoulders and installing guard rails. Several of the restaurant-service stations are also just being completed.

Join With Ohio

The new section, connecting with the original turnpike at Irwin, Westmoreland County, eventually will be joined at Petersburg, O., by a similar toll road now being constructed in Ohio. The extension currently ends in a wheat field on

the Ohio border.

The commission credited the heavy traffic in the west to motorists and truck drivers anxious to avoid the congestion of metropolitan Pittsburgh.

Within the next two years a new 33-mile section will be opened in the east, connecting the present eastern terminus at King of Prus-

sia, Montgomery County, with U.S. Routes 1 and 13 near Langhorne. That will divert traffic from the metropolitan Philadelphia area.

The new road will eventually connect with the New Jersey Turnpike via a new Delaware River crossing near Bristol.

Price Of Lean Pork Cuts Upped

WASHINGTON (AP)—Hams, chops and other lean pork cuts popular during summer months are going up from one to eight cents a pound.

The Office of Price Stabilization (OPS) announced yesterday that ceiling prices on lean cuts—those accounting for about 40 to 45 per cent of pork sales—are being increased through October. Then they may be reduced.

These are authorized increases, effective immediately: Pork shoulders, one cent a pound; hams, bellies, Boston butts and neckbones three cents; pork chops, loins and spareribs, eight cents.

WEATHER FORECAST

Extended forecast for the period, Wednesday, July 30, through Sunday, Aug. 3

Eastern Pennsylvania, Eastern New York and mid-Atlantic states: Temperature will average near normal; cooler tonight and Wednesday, except somewhat warmer extreme north portion Wednesday afternoon; slowly rising trend thereafter until cooler Sunday; showers Thursday and again Saturday or Sunday will total one-half to two-thirds inch.

Western Pennsylvania, Western New York, Ohio and West Virginia: Temperature will average near normal; cooler tonight, somewhat warmer Thursday and Friday and in north portion Wednesday afternoon; cooler Saturday night and Sunday; showers Thursday and again about Saturday; will total one-half to three-fourths inch.

Many astronomers now believe that stars are continually being born while others die, says the National Geographic Society.

BLOOD-SOAKED TOWEL MAY BE SLAYING CLUE

ATLANTIC CITY, N. J. (AP)—A blood-soaked towel taken from a mental hospital escapee drew the attention today of police trying to solve the brutal slaying of a young stenographer.

NOMINEES ARE PREPARING FOR BIG CAMPAIGNS

By The Associated Press

The Democratic national ticket — Gov. Adlai Stevenson and Sen. John J. Sparkman — went back to work today on jobs interrupted last week before the party picked nominees for president and vice president.

The Republican ticket — Gen. Dwight D. Eisenhower and Sen. Richard M. Nixon — went ahead with plans for the November election campaign. Nominated by the GOP two weeks earlier, they were that much ahead of the Democrats in mapping political strategy.

About 25,000 people gathered around Stevenson yesterday as he returned to Springfield, the Illinois capital. In a brief speech in front of the Courthouse, he thanked them for their good will and promised to work hard for election to the presidency. Then he went to the governor's mansion to answer mail and catch up on his work as governor for the next few days.

350 Greet Sparkman

Sparkman, too, had a rousing reception on a limited scale as he returned to Washington to clean up his desk as senator from Alabama. He was greeted at the railroad station by about 350 fellow Alabamians with rebel yells and a five-piece band. He pledged an aggressive campaign and said he will have a meeting with Stevenson on campaign strategy after a brief vacation he hopes to start within a few days.

In Denver, Eisenhower rallied his campaign high command around him to work out organizational details. He had a long conference yesterday with Gov. Sherman Adams of New Hampshire, his political chief of staff. A luncheon meeting today with Sen. Hugh Butler of Nebraska, at Butler's request, was viewed as a move for support from those who backed Sen. Robert A. Taft of Ohio for the Republican presidential nomination. Butler was a Taft supporter.

He To Address VFW

Eisenhower's campaign headquarters announced that the general will make an "entirely non-political" speech at the national encampment of the Veterans of Foreign Wars in Los Angeles Aug. 5. He will speak Aug. 25, at the American Legion's annual convention in New York.

Nixon returned to his home in Whittier, Calif., last night and

WEIGHT LIFTS — Mrs. Stanley Mrowczynski checks weight of sons, LeRoy, left, and Larry, who, totaling 18 pounds, 15 ounces, were reported in January as the heaviest twins ever born at St. Anne's Hospital, Chicago. They now scale 42½ pounds.

was welcomed by a parade and a reception attended by 5,000 at the Whittier College Stadium.

Nixon said in a talk that "prosperity built on peace rather than war" is the goal of the forthcoming Republican campaign.

In Texas, where the Democratic nomination usually means election, Democrats renominated Gov. Allan Shivers and nominated Atty. Gen. Price Daniel for U. S. senator on the basis of the latest count from Saturday's primary. Former Rep. Martin Dies, the first chairman of the House Committee on Un-American Activities, had a big lead over six candidates for congressman-at-large but faced the possibility of a run-off with former Lt. Gov. John Lee Smith.

Two Primaries Today

Voters go to the polls today for primaries in Arkansas and Louisiana.

In Arkansas, Democratic Gov. Sid McMath, seeking a third term, is opposed by Atty. Gen. Ike Murry, former Atty. Gen. Jack Holt, Rep. Boyd Tackett and Chancery Judge Francis Cherry.

With no state-wide contests, Louisiana Democrats will choose their nominees for eight seats in Congress. Rep. James Morrison has no opposition in the Sixth District.

EVERY PAY DAY — BUY BONDS

NEW WSB WILL BE APPOINTED

WASHINGTON (AP)—The old Wage Stabilization Board dies at midnight tonight but a new one, with less power, is expected to be named shortly by President Truman.

Members must be confirmed by the Senate, but as it is not in session Truman may name board members to serve until Congress convenes in January.

Until a new board is named, Economic Stabilization Administrator Roger L. Putnam could take over as wage stabilizer.

Equal Representation

The new board, like the old one, will have equal representation from industry, labor and the public. Whether it will also have 18 members has not been made public. It will not have the old board's power to handle labor disputes.

The American Federation of Labor yesterday ended one government worry: it announced it would co-operate with the new board, despite the loss of some of its power.

There had been speculation organized labor might boycott the weakened WSB.

CALVES — Receipts 450; market fairly slow, to 50c. to \$1.50 lower. Choice and prime vealers, \$32—32.50; good to prime, \$29—32; utility and commercial, \$20—29; culls, \$13—20.

HOGS — Receipts 1,500; market fairly active; barrows and gilts 25c. higher. Sows unchanged, choice 170-230 pound barrows and gilts 25c. higher; sows unchanged; choice 170-230 pound barrows and gilts, \$24.25—24.50, top \$24.50; 240-260 pounds, \$23.25—25.75; 260-300 pounds, \$21.50—23.50; heavier weight, \$21.25 down; 120-140 pounds, \$20.50—21.50; 140-160 pounds, \$22—22.75; sows under 400 pounds, \$18 to mostly \$19; odd head around 350 pounds and lighter, \$19.25 or above, 400-450 pounds to \$19; heavier weights, \$17 down; stage discounted \$2—3.

SHEEP — Receipts 250; market fairly active, lambs steady; good to prime 36-38 pound lots, \$28; utility to good 71 pounds, \$22.

McGranery Asserts Everything Is Fine

WASHINGTON (AP)—Atty. Gen. James P. McGranery says he is getting along very well without the asbestos pants his predecessor J. Howard McGrath recommended that he wear to Washington.

Also, McGranery said the government's corruption-cleanup campaign he inherited from McGrath and special administration investigator Newbold Morris, is going forward satisfactorily, although without fanfare.

McGranery made both statements in answering blunt inquiries yesterday when he received a delegation of about 88 teen-agers attending the American Legion's Boy's Nation sessions here.

framed copy of "Objects of Rotary" and a book on the ideals of Rotary service.

James S. Cairns, chairman of the finance committee, reported that the club will sponsor a play, "Kiss and Tell," at the Allenberry Theater August 26.

Cairns named Harold Reuning as treasurer and John Teeter as chairman of ticket sales for the play.

Earl Andrus, chairman of the auditing committee, reported that the club spent \$6,487.35 from the general account last year and has a balance of \$1,447.16.

President Richard Dreas, who presided, reported a club assembly will be held this evening at 6 o'clock in the Manufacturers Light and Heat Co. office.

Vice President Walter B. Lane reported the club will meet next Monday at Sheffer's Park with the Lions Club and will meet the following Monday, August 11, at the Country Club for a family picnic.

President Dreas read a congratulatory message sent honorary member Dwight D. Eisenhower upon his nomination as Republican candidate for president and read a letter of appreciation sent the club by the General.

Fifty-one attended the meeting.

"Go Home," Crowds Shout To Gromyko

LONDON (AP)—A crowd of demonstrators shouting "go home" met Russia's new ambassador, Andrei A. Gromyko, when he arrived in London last night to take up his post.

One man pressed into the envoy's hand a pamphlet which said "we don't want communism here, Gromyko."

Gromyko, who succeeds Georgi N. Zarubin, appeared unruffled. He told reporters it was to Britain's national interest to be on friendly terms with Russia.

FORGET to REMEMBER
... to defrost your Servel!

Servel

DEFROSTS AUTOMATICALLY!

SERVEL GAS REFRIGERATOR automatically defrosts itself during the night—every 24 hours. While your Servel is defrosting, the temperature in the freezer section goes lower to keep frozen foods from defrosting. In the main section, the temperature remains safe, too, during defrosting time.

UNIQUE BUTTER CONDITIONER
Put it anywhere in your Servel. Butter stays spreadable, yet cold and fresh.

3 JEWEL-TONE INTERIOR-TRIM COLORS
Choose the one you like best—from icicle blue, luminous gold, sunfrost green. Match or accent your kitchen.

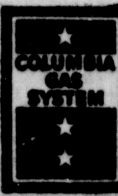

2¢ A DAY TO OPERATE
For budget-minded families. This is lower than for any other mechanical refrigeration.

SERVEL STAYS SILENT . . . LASTS LONGER
You never have any motor repairs or noise with Servel—because Servel has no motor.

ONLY SERVEL HAS A 10-YEAR GUARANTEE ON THE FREEZING UNIT!

Stop in and see the latest models at your Gas Appliance Dealer's. There's a Servel to suit your needs.
